MULES THE BEST MULES MORE BETTER

On Wednesday, March 13th, we received two cars of Mules. On Tuesday, 19th, one car. These were all nice Mules. Those who were looking for quality were pleased in every respect. We received a fourth car yesterday and it is to these that we want to call to your special attention. This particular car is "The Cream of Kentucky"-the very best that money, combined with good Mule judgment, could buy. Every one a mare mule, as fine as perfect as Mules can be grown. Every Mule is a "Blue Ribbon" animal-no exceptions-selected from a large number of top notchers. Their equal has never been seen on this market-their

superiors haven't been grown yet. We invite you to see this lot of Mules. Come and see them. You can buy if you care to; but at any rate you will be pleased to see them and we'll be pleased to show you the finest ever.
